

To Whom It May Concern:

The New Jersey Section and North Jersey Younger Member Group (YMG) of the American Society of Civil Engineers (ASCE) are proud to host the Eastern Regional Younger Member Council (ERYMC) Annual Meeting, to be held on January 20-21, 2017 at the Newark Liberty International Airport Marriott in Newark, New Jersey. We look forward to the participation of delegates from ASCE Regions 1, 2, 4 and 5, representing 23 states, Washington D.C., and Puerto Rico! This meeting is a great opportunity for the best and the brightest young civil engineers from across the Eastern United States to come together and improve themselves as leaders in the profession, in ASCE, and in their communities.

The ERYMC meeting is part of the Multi-Region Leadership Conference (MRLC), and runs concurrent with the Workshop for Section and Branch Leaders (WSBL) and the Workshop for Student Chapter Leaders (WSCL). Participants will also have the opportunity to interact with ASCE Society-level Leaders and Officers, offering insight on current strategic initiatives and the future direction of ASCE. Over 300 attendees are expected at the MRLC!

We are planning a special event to be held at the Liberty Science Center in Jersey City, New Jersey on January 20, 2017 after the conclusion of Friday's conference program. This event will provide the opportunity to participate in:

- **NETWORKING RECEPTION/JOINT SOCIAL** – Held after the conclusion of Friday's conference program, this event will be provided for all MRLC attendees and give them a chance to mingle with other conference attendees. The event will be held at the Liberty Science Center Skyscraper Exhibit and allow attendees to explore the planning, design, engineering and technology of amazing structures and their effect on human culture. The exhibit also features a "Walk the Steel" interactive feature that will allow attendees to walk safely on a narrow steel beam above the gallery floor of the exhibit.
- **SPECIAL "DREAM BIG" PREMIER PREVIEW** – The evening's event will include showings of an extended clip of the new ASCE movie *Dream Big: Engineering Wonders of the World*. In partnership with MacGillivray Freeman Films, and presented by the Bechtel Corporation, ASCE is proud to present this movie illustrating how engineers are pushing the limits of ingenuity and innovation in unexpected, imaginative, and amazing ways. Along the way, the audience will witness how today's engineers are shaping the world of tomorrow. We are excited to offer this sneak-peak opportunity to our attendees.
- **AWARDS DINNER** – The evening will conclude with the Awards Banquet where we will honor the accomplishments of outstanding Younger Members and Groups in our Regions.

We are grateful for the opportunity to showcase New Jersey to attendees from the Eastern United States, but we need your support to make this a memorable and worthwhile event! Sponsors will be recognized during the ERYMC Conference in all printed conference materials. Additional benefits are described in the following pages.

TO SPONSOR, PLEASE FILL OUT THE ENCLOSED SPONSORSHIP COMMITMENT FORM BY FRIDAY, DECEMBER 13, 2016.

If you have any questions about this conference or the sponsorship program, please feel free to contact the conference chairperson(s), Joseph Danatzko, P.E. M.ASCE at JDanatzko@aelgroup.net and Rita Exposito A.M.ASCE at lexposito89@gmail.com.

We appreciate your consideration for sponsorship and look forward to your involvement in the 2017 ERYMC!

Sincerely,

Joseph Danatzko P.E. M. ASCE and Rita Exposito A.M. ASCE
2017 ERYMC Chairs
